

# Your **LIBRARY** on the **MOVE**

NEW LIBRARY NEWS #5

[www.library.mq.edu.au](http://www.library.mq.edu.au)

## The **NEW LIBRARY** will **OPEN** on **1st August** - first day of semester 2!

### BUT FIRST....

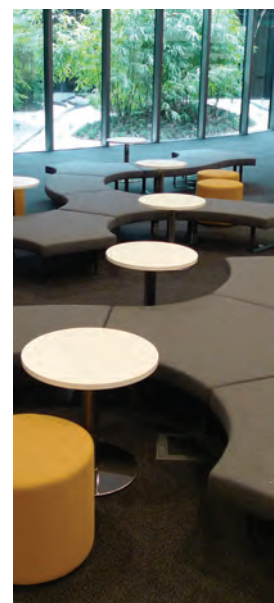

there's the small matter of **moving** the final **500,000 books** still in the old Library to the shelves of the new.

- Throughout July access to items will be disrupted while they are being moved.
- You can access items already moved by **lodging a request**:
  - email [lib.loans@mq.edu.au](mailto:lib.loans@mq.edu.au) - phone 9850 7507
  - in person at the Resource Collection Point on level 2 of the Old Library
- Throughout July you should allow up to **two business days** for your item to become available for collection. We strongly advise **planning your borrowing** in advance during this time.
- Items can be collected from the **Resource Collection Point on level 2 of the Old Library**.
- Any items borrowed now will be due back no earlier than 3rd August 2011, unless they are recalled (you will receive notification in this instance).
- **To give you a preview of the new Library in action we are also opening levels 1 and 2 from Monday, 25 July.**
